
FACILITIES

APRIL 2016

- Got the mowers and trimmers ready for spring
- Raked the lawns and picked up brush and twigs from the long winter
- The sink at the Town Hall broke so I replaced it with one that I had in storage for a minimal cost
- Prepared picnic tables for the summer by sanding and urethaning
- Swept all the parking lots such as the Police Department, Town Hall, and Fire Station

Respectfully submitted,

Mike Gudroe
