
FACILITIES
MAY 2016

- Fixed the lawns with loom, seed, and hay
- Mowing season has started so we have between 25 to 30 hours of mowing and trimming
- Put the flags up throughout the Town
- Put the trash cans out. Thanks to Frank Spizuoco for getting us 15 new trash barrels
- Got out all the picnic tables and benches and set them at Crosby Park, Ronco park, and the beach
- Got the slab poured for the new Facilities garage. Thanks to Eric and the Highway Crew for their help.

Respectfully submitted,

Mike Gudroe
