Visitors

Training:
Positive pressure ventilation
Refresh on pump draining procedures.
Jaws demo with Matt and Ed. Thursday December 20th 1800
Chief Connor:

- Discussion on Calls for the month. (Garland Fire, Ripley Rd. Fire, Corinna Center Rd. Fire, 66 Spring St.....)
- Still have a few controlled burns to get done.
- Christmas tree lighting and Santa delivery Friday December 7th @ 6:30. Arts & crafts to follow. Any assistance at this event is greatly appreciated.
- Please ensure you are washing you gear after structure fires to decontaminate it.
- I have 3 different requests for smoke alarm installations if anyone has time.
- Payroll is done. See me if you haven't received your check.
- SCBA's and peoples gear are still being messed with.
- We need to look over the rescue sled, cold water rescue suits and all of our ropes as ice fishing & snowmobiling season is upon us.
- Fuel Slips, Fuel Slips & Fuel Slips!!! Get the slip when fueling the trucks!!!!!
- Fire Recovery monies are around 14K at this time.
- Please listen to calls when paged and make sure you hear what is being requested.
- $160 was raised during the rabies clinic held here and was put into out account.
- Most of the new items ordered for the trucks are in and will be placed in service soon if not done already.
- Truck operators please check your compartments and pre-connects to ensure you have all your equipment before leaving a scene.
