Officers input

Chief Connor

- August 13th is the date for Dexter days this year. Anyone interested in attending their planning meetings and keeping us up to speed on the new developments? (Red hot dog eating contest, judging, participants, rubber duck race?? Other events we may want to do to?)
- Welcome Daniel Wallace and Tracey Gallant to the wonderful world of the Fire Service.
- Please be sure to check the fire danger before writing burn permits. Also advise permittee to read the fine print on the permit. If we are called to an out of control controlled burn we can charge for suppression costs incurred.
- Ladders have all been tested. Some ladders need some fixing and maintenance any volunteers?
- Once all of the trucks have had their yearly service by Dickey Sawyer they will be going out 1 by 1 for pump testing. This will be paged out so you are all aware.

- 11 New sets of gear have been ordered utilizing both town funds as well as insurance monies obtained from our billing process. The intent is to get everyone 2 sets of gear in the very near future. Both limiting your exposure to dangerous toxins and having a dry set ready in the event you gear gets soaked at a scene.
- Levant wildfire update.
- Grass & woods fires are upon us. Be familiar with where the proper tools for the job are located. Although not changed yet in the SOG's, 474 should be headed out first as it has a lot of tools on it.

1<sup>st</sup> Asst. Chief Stocker
