Officers input
Chief Connor

When going on calls please ensure that both plugins have been removed from the truck and the door has been closed behind you after exiting the bay.

- August 13th is the date for Dexter days this year. Anyone interested in attending their planning meetings and keeping us up to speed on the new developments? (Red hot dog eating contest, judging, participants, rubber duck race?? Other events we may want to do to?)
- Discussion on calls for the month? School Fire, Airport Road Fire and the Garland Fire.
- Please check with me before making any purchases.
- We need to have a pumps refresher class for all operators.
- Unsafe ice conditions continue to be an issue.
- Reminder that hand and foot warmers are in the trucks.
- IF all of the trucks have left the station and you bring your POV to the scene PLEASE park away from the scene and shut off your headlights.
- The call to alert paging system has been put on hold as the county may be doing something county wide.
- Your individual training sheet are completed and in your folders. If you wish to see yours to ensure I have put all your training's in see one of the officers.
- SCBA's have been flow tested and the air compressor has had the air tested as well. Ladders and pumps will be in the spring.

- 474 will be getting the scratches fixed and painted soon.
- The bathroom in the office has been repaired.
