

Monthly Report for:

JUNE 2016

This month we have been busy replacing culvert. We hot topped all the cross culverts. I would like to thank Steve Kimball for the use of his mini excavater for getting the cross culverts ready, T he roads are ready for paving. Been busy hauling fill up to cemetery. we hauled almost a 100 wheeler loads. Been making gravel and fixing some of the trucks. Pulled rock out of the beach for builing maint.

respectfully submitted,

Eric Campbell
