

Monthly Report for:

MAY 2016

This month we have been busy working on ditching the number 10 road, arno rd, crockett rd, and the trembley rd. I have been busy working with contractors. We replaced a culvert at the snowmobile club with the help of steve Wilbur. Which he donated his time and excatavor. Which was very much appreciated. They have been cutting wood up to the pit.we have also replaced a bunch of driveway culverts on the zionhill rd and the silvermills road. We also have been helping building maintains with his garage.

respectfully submitted,

A handwritten signature in black ink, appearing to read "A. D.", with a long horizontal stroke extending to the right.
