

CEO Report

April 2017

It has been a busy month despite the snow storms. I have been busy handling a few landlord tenant complaints and a few plumbing inspections from permits issued last year. There have been two new business looking to relocate here in Town and I'm working closely with them to find a building that meets their needs. I've been working with the Town Attorney on the problem house on the Ripley road. I will have a plan the first of May.

Respectfully submitted,
