

- 
- 5 Burials – 3 cremations – 2 vaults
  - Sporadic mowing due to very little rain
  - Instead of mowing we have been
    - a) Leveling stones and monuments
    - b) Filling sunken graves
    - c) Power washing headstones and markers
  - Cutting trees and brush away from stone walls and grave stones at Storer Cemetery
  - We will be getting a temporary employee (14 hours per week) from Skills in St. Albans starting September 6. She sounds like she is going to be a great asset to the Cemetery Department
  - Starting the process of getting additional copies of the Town cemetery maps and to get copies on CD so as to put them on the Cemetery Website. (This may take a little while)

Respectfully submitted,

Steve Gudroe
