

REC.REPORT FOR FEBRUARY,2017

A very busy basketball season came to end on Sunday the 19th as all six Rec. team`s participated in there age division play off`s with just one team finishing as runner up`s but all in all a great season for all the kid`s I am very fortunate that I have some very good people in the caoching position`s and special thank`s to Shelly Peakes who set up and for the most part ran the snack shack every Sunday.

Had wrestling sign up`s with 20 kid`s sign up and ready to go wrestled in Belfast this past

weekend and did very well considering the limited time they had to practice.

The REC. cheerleader's performed in there first competition in the three year's since I have been here and acquitted themself's quite well as they finished in 2nd place 3 point's behind Lewiston so a job well done.

They performed at our Rec. game's this past winter and these young ladie's under the direction of Veronica Clark are very good.

Roller skating continue's to have pretty good number's.

Town Hall Rentals have picked up some but overall it has been a slow rental winter.
