

## **REC. DEPARTMENT REPORT OR JULY 2017**

**For the second straight year the Alford Foundation came through with a very generous donation that enabled us to offer a “Summer of Fun in the Sun Camp” for 40-45 second and third graders. This camp ran the whole month of July from 10:00 – 2:00 daily. I had six counselors, five of which worked for me last year, and once again these young people did an outstanding job. On Friday’s the kids were taken to the newly opened Lakeshore Lunch for ice cream as a reward for behaving themselves during the week. Camp ended with a pizza party and cake for the kids.**

**Some of the other things going forward are the sale of Funtown-Splashtown tickets. The Wayside Park Summer Concerts have been a big hit with some nice crowds.**

**The Rec Department has taken over the KIDS ZONE for this years Red Hot Dog Festival but more on that in the next report.**

**We are kicking off the Red Hot Dog Festival with Friday night softball at 5:30 at Elm’s Field.**

**Have set September 16<sup>th</sup> as the date for Family Fun Day.**

**The fall sign-ups are just around the corner.**
