Officers input

Chief Connor:

- SCBA's have been flow tested and all are good for another year. Bottles are due for hydro testing and will be sent out in 2 different trips so we are not without.
- The older style SCBA's are down to their last year of use. After that they need to be removed from service.
- Reminder of the recognition supper for AC Pembroke in Dover on the 17th. 4-6 social and supper to follow. Dress uniforms and we will leave here approximately 3:30.
- Main Street house will be going back out to bid soon.
- Thank you to all who helped do some more work around the station here last weekend.
- Most of the new items for 472 have been ordered.
- Repairs to the front entry way door are " in progress ".
- I am in the process of updating the rate chart with Fire Recovery. Hopefully by next month.
- The annual skate night that was scheduled for the 5th has been put off due to the cold temps. New date to be announced. NEW DATE February 16th from 4-7
- May 14th Chief Audette of Augusta will be conducting a class here at the station on the ongoing issues of short handed firefighting in rural Maine. Class will run from 6-9.

†. Asst. Chief Stocker

1. There is a working dry hydrant on the Bridge rd. in Cambridge. Cambridge Fire invested money into the existing hydrant and got it fixed.
2. If you have trouble with your pager, come see me. If I need to send yours out for repair I will try to outfit you with a suitable spare in the meantime. However, if I cannot do this, you do not need to call me everyday to check the status of the repair. Some things take time.....

2nd Asst. Chief Deering
