

FEBRUARY FACILITIES REPORT

- **February proved to be a stormy month. We have done a lot of plowing, sanding, snow blowing, and chipping ice.**
- **Manufactured a base to hold the sander going on the front of the tractor.**
- **Built 3 bookshelves, one for the Town Managers office, and 2 for the spare office.**
- **Put a push bar on the Library door.**
- **Worked many hours on the Ice Rink getting it ready for skate night.**

Respectfully submitted,

Mike Gudroe
