SOG's

Training

1. January 22nd..SCBA training for interior and new firefighters.
2. Pumps need to be drained completely. All caps and valves need to be opened. 474 had some frozen covers the other day

Communications, suppers, and parades

1. The Dexter Firefighters Association again this year has spent around \$13,500.00 on equipment for the Dexter Fire Department.

Officers input

Chief Connor:

- The rabies clinic that was held here at the station back in December was a success. A donation was made to the department from Rick Dubois in the amount of \$160.00. This money was deposited into our Special Equipment Reserve Account.
- We received our annual donation from Reney's in the amount of \$500.00 and this money was deposited into the same account.
- Has everyone tried on their new gear that had to be sent back for re-sizing?
- Saturday February 17th there will be a gathering at the Dover Foxcroft American Legion to Surprise 50 years of service for Rick Pembroke. Happy hour 4-6 and supper at 6. We need to give a head count and those wishing to go we will meet here at 3:30 in full dress uniform.
- The Main Street house will be going back out to bid soon so this hopefully will be on the horizon soon for burning.
- I have been pricing out the items identified by members needed for 472 and will be ordering them soon. Waiting on one more quote.
- Painting and the final set of gear lockers still needs to be hung. Suggestions on a day and time we could try and see this done? JANUARY 28TH 8:00 AM
- Anyone that may know of someone who might be an asset to the department, encourage them to come up to a meeting and fill out an application. Our daytime response numbers are way down due to everyone having daytime jobs out of town.
- The front door will soon be taken care of.
- Discussion on calls last month.
- Reminder about billable car accidents and the items needed to proceed with Fire Recovery.
- Keep a warm pair of socks here at the station for those cold day's/nights. (Speaking from experience.) Also there are hand and foot warmers in 471.

- February 2 the Rec. Dept. will be hosting their annual skate night at the ice rink. We usually help with this in one way or another.
- Should go over the rescue sled to ensure it is read if needed for a snowmobile incident.
- 2 new thermal imaging cameras were purchased with association monies received from Bangor Savings, Community Matters More contest we won last year.

1st. Asst. Chief Stocker
