

MARCH FACILITIES REPORT

- **Dealt with a few more snow storms – hope we are almost done.**
- **Put a closure on the Library basement door.**
- **Built a new dumpster at the Town Hall as the old one was in bad shape.**
- **Finished painting the Town Hall and put up new trim.**
- **Put new LED lights in the boiler room at the Town Hall.**
- **Put a new door lock at the fire station.**
- **Helped in the returning of the wrong light poles for the downtown.**
- **Put a new toilet in the Town Office**
- **Started using the Heat Pumps again in hopes of saving money on fuel.**
- **Eric and his crew remanufactured the old sweeper and hooked it on our new tractor. Cost was about \$250.00.**

**Respectfully submitted,
Mike Gudroe**
