Training:

May 14. Short handed firefighting. 6pm-9pm

Pumps 2 in May at Winslow station. Interest. Pumps 1 is required prerequisite.

June 8 9 10. Ladder operation. Oakland. Any interest? Class also involves ground ladders.

Chief Connor:

- The door out front doesn't close good. If you are the last one out please ensure it is completely closed & locked.
- Both new thermal imaging cameras purchased by the Association have been installed on E-471 & E-472. Thank you Dickey Sawyer for installing them.
- Discussion on calls for the month. (Goff Rd., Grass Fire, Amb. Assist's)
- Grass fire items are on the trucks and ready for use.
- 121 Main St. update.
- Working with the schools, Emergency Management Agency and local PD on doing a tabletop exercise soon to better our skills and coordination with the multiple agencies who would respond to an "incident".
- When fueling the trucks I NEED THE SLIP from the pump. If after hours and you cannot get a slip please at least write down on the run sheet you got fuel and how many gallons! Or call me and let me know.
- All department heads have submitted their 2018/2019 budgets and will have their sit down soon to discuss those budgets. Ours is [this Wednesday](#) the 9th beginning at 2 pm. PD's budget is first.
- Have a few debris piles to burn.
- All interior FF's need to get their physicals done ASAP.

†. Asst. Chief Stocker

We have a quote for our Rescue tool Fundraiser, \$23,000.00. This gives us a ballpark figure on how much we need to raise. It is from Holmatro. The sales person said he would be willing to bring them for a demo.
