We have replaced a bunch of culverts on Crawford rd, shore road, mill st, Cleveland ave, ditch farrar road. We paved in the cross culverts and driveway culverts. Found Mike a fiberglass body for his truck and have it ready to install. We hauled some gravel to golf course and fill. We also hauled gravel and fill to the cemetery. Got the blinking light back up and working on railroad. We removed a bunch of shrubs from library and removed the roof from the walkway. Worked on a couple police cruisers and maintenance on our equipment.

respectfully submitted,
