

# CEMETERY REPORT

JULY 2018

- Mowed and weed wacked all cemeteries every week
- Pressure washing head stones for burials and as rain stops us from mowing
- We helped Mike and Lonney weed wack the beach, Bud Ellms Field, and behind the Town Hall so he could catch up on his lawns
- Robert Purdin and Bob Clukey continue to water the flowers in Town
- Tyler Hudson and I built a screen for screening dirt for building lots and putting good dirt on new burials
- Burials for the month as follows:
  - Lorraine Carr
  - Gail Thompson
  - Dale Swan

Respectfully submitted,

Jeremy Trowbridge
