

RECREATION DEPARTMENT

JULY 2018

- For the third year in a row, the ALFOND FOUNDATION came through with another donation that enabled us to have a summer of FUN in the SUN
- The camp was for around 40 kids and ran through the month of July from 10:00AM to 2:00PM
- I was able to hire six counselors who once again did an outstanding job
- The kids were able to go to Lakeshore Lunch every Friday for ice cream and we finished the camp with a big pizza party on the last day
- We finished up a very busy baseball and softball season with three out of the four teams ending up as runner up in the playoffs
- Funtown-Splashtown ticket sales have been good
- The Wayside Park summer concerts have had some very good crowds
- Fall sign ups are right around the corner

Respectfully submitted,

Mike Martin, Recreation Director
