

DEXTER REC.REPORT FOR AUGUST 2018

Have just finished up another Wayside Summer Concert Series season with some very nice crowds.

Attended a Rec. Director`s meeting in Corinna on August 8th to discuss the upcoming season and any rule changes we might want to make.

Tackle football numbers continue to decline as we were able to field just one team of grades 4-6 with just 15 kids suited up and ready to go. Soccer numbers in grades 3-6 are down as well but prek-2nd numbers are pretty strong. Field hockey had 33 young ladies having at it.

We had a very successful Friday night under the light`s softball tournament long evening but a good time had by all. The Dexter Rec. kid zone was held again this year at the Hot Dog Festival and

with better visibility it was a huge success we teamed with Wayside Grange and brought in a puppet show that was fantastic it consisted of two brothers and a sister a great show for the youngster`s. Have started taking names for our annual senior`s trip to Moosehead Lake and are gearing up for Family Fun Day.
