

# **OCTOBER FACILITIES REPORT**

- **Finished painting the gazebo at Crosby Park**
- **Painted the grand stand at Crosby Park with our new paint sprayer. It turned out really nice. We would like to thank Mike Blake for letting us use his lift. It saved the Town a lot of money.**
- **We sanded and painted stripes on the basketball court at the Town Hall. A big thank you to Wilfred Murray for helping me polyurethane the floor. It took us about 6 hours over two evenings.**
- **The mowing is starting to slow down. The season should be over in a few more weeks.**

**Respectfully submitted,**

**Mike Gudroe**
