

Monthly Report for.

OCTOBER 2018

We worked with Charlie OBrien to pave in the trench on Beech St. We finished winter sand, got our firewood done. We paved in the cross culvert we had dug up. Made more gravel, fixed the basins on free st. We cleaned a bunch of basin, and did somemore ditching in town where needed. got plow trucks ready . We worked on the warming hut got thaty ready for cement. Started building the storage building .Graded some road when weather aloud. We worked on Airport loaded and police cruiser. We built new a loading ramp at the sand pile.

respectfully submitted,

A handwritten signature in black ink, appearing to read "Eric Capel". The signature is written in a cursive style with a large, sweeping flourish at the end.
