

NOVEMBER 2018

We worked on fixing 3 basins on free st and rebuilt the loading ramp at the garage. We replaced culverts on Eaton rd, The Airport road .Did a little ditching and graded roads. We helped build the warming hut at the skating ring. This winter started to soon. We have been out 4 times all ready this winter. We got that new truck and its already to go. We worked on a couple police cruiser. The one with the kerosene we had to take the back seat and the front out get it all out. It still has a little bit of a smell.

respectfully submitted,
