

Town Managers Report for February 14th, 2019 Council Meeting

Activities for the month Of January

- Phone conferences with Sangerville on interests in contracting services with Mid Maine Solid Waste Association.
- Finished the updating of our computer system hardware for the finance department and clerk.
- Met with a group of area town managers to discuss cable contracts.
- Met with Marcus Ballou and went over the Towns Property and Casualty Insurance and gave us a second contact for Legal Services that is financed with our membership fees..
- Attended a meeting with Dr. Reddy and School Administration about the future of Reddy Hospital. Working on a use plan for the building to include school. Kiwanis, Dexter Public Health, and Pine Tree Hospice.
- Working with Public Works on some noncompliance issues from Safety Works consultation in December.
- Had a conference call with other town managers and Eastern Maine Development Corporation on Broadband in the area.
- Organized an Airport Committee meeting with Stantec (consultant) to get updated on our obstruction analysis on our airspace safety and the next steps to be taken. Discussed with Committee the results of consultant proposal scoring sheet to determine which consultant to contract with for the next five years to recommend to the council.
- Attended Age Friendly meeting where a guest speaker, Dawn Tritch, gave a presentation on a main street property and making a community center for the town to use.
- Attended two meetings with our cannabis task force with two different speakers.
- Attended Library Board Meeting, discussed finishing touches on construction and future projects for summer of 2019.
- Met with TRC consultant to talk about some future engineering work.
- Attended DRC committee meeting discussed future of DRC and continuing the RED Hot Dog Festival.

Respectfully,
Trampas King
Town Manager
