

RECREATION REPORT

JANUARY 2019

- The 2018-19 basketball season is winding down as we head into the final two weeks of the season. We will be hosting the Boys 5th & 6th grade playoffs at RVCS on February 2nd & 3rd.
- Roller skating attendance has been really strong this winter. We have a bunch of younger skaters learning the art of trying to stand on their feet. It is very fun to watch.
- The building of the new Ice Hut is progressing. The boys are working on it in between snow and rain storms which seem to be every other day.
- Town Hall rentals have been steady of late.
- Moving forward, wrestling sign ups are right around the corner as well as spring, we hope!

Respectfully submitted,

Mike Martin, Recreation Director
