Approve February minutes: Motion: Ahern

Seconded: Salley In favor: 26 Against 0:

Potential new member:

Visitors: Michele, LeAnne

Training:

March training on the 18th. Not finalized yet. Will probably be a classroom training.

CMFAS coming up in April Need applications by March 22

April training will once again be Super [Sunday](#). Need to set a date . April 7. Breakfast at 7:00

Any interest in a "Stop The Bleeding" class? Mayo is promoting this class.

--

Chief Connor:

- Discussion on calls for the month.
- Had a meeting with the Plummer Foundation about our battery operated Jaws of Life purchase.
- Cameras have identified items in gear being tampered with.
- Cold water rescue training was a little chilly. Going to attempt to pick a [Sunday](#) when ice opens up better access to use the Rescue Alive Device. Also found some of our cold water rescue suits have aged and have some leaks allowing water in. Looking into pricing out some newer suits.
- I am in the process of creating folders for monthly truck checks, monthly SCBA checks, and individual truck checks. The clip board method is not working out. Also will be doing this for calls, training and work reports.
- 121 Main Street will be a go for a controlled burn as soon as the contractor demos the house.
- Still waiting on the 2 new SCBA's. Apparently not a lot of department still use the 2.2 cylinder.
- On call lists are now printed and on the desk in the radio room. Please try and let officers know when you will be out of town for vacations and such. Crew lists are in the works.
- New truck check folders be sure to use them.
