Training:

Training-CPR and basic first aid. This is a required biannual training. Due to scheduling for the instructor training will be moved to the 25th. Will Hesketh of mayo ambulance will be instructing

Chief Connor:

- 121 Main St. is once again a go.. I think. As soon as I get a date from Ralph we will schedule a date and time.
- Discussion on calls last month.(Snowmobile Pedestrian, Car Pedestrian..)
- Video Cameras are back in tip top shape.
- The door down stairs was found open 2 weeks ago and a pipe had frozen and burst. Leaving water all over the floor. Just glad Wilfred happened to stop by and find this issue when he did.
- The department has had an uptick in new members wanting to join the department recently. Introduce yourselves and share your knowledge with these folks.
- Deck gun on 471 was found completely up 2 weeks ago and had the truck gone out on a run it would not have been pretty. After filling the truck please ensure these are cranked back down.
- 2 New SCBA's have been ordered and will be here in approximately 2 weeks.
- Flow testing was completed last week and another "older style" SCBA had to be removed from service due to its age.
- I have a few meetings set up as we continue to pursue new jaws.
