

RECREATION REPORT

MAY 2019

- The Rec baseball and softball seasons are trying to get off the ground but due to adverse weather conditions it has been tough. I have postponed and rescheduled more games than we have played as of this writing.
- Once again umpiring has become an issue as I have had to do more than I would like.
- Mike and Dave have done a great job getting the fields ready despite the weather issues.
- I am still trying to schedule performers for the Wayside Summer Concert Series as some groups have either retired or elected not to come back this year. The first show is scheduled for June 18th with the Harold J. Crosby band taking the stage at 6:30.
- Dexter Rec is once again hosting our 4th summer of Fun in the Sun beach camp for 2nd and 3rd graders but as of this writing, we are having trouble with registrations as just 15 kids have signed up. I also haven't had many applications for camp counselors which is making it a little difficult to get off the ground. We shall see what the next couple of weeks bring with the camp due to start on July 1st.
- The kitchen renovation at the Town Hall is nearing completion as we have had some cabinets and counter tops donated to help keep cost down. It should be completed within the next week or two.

Respectfully submitted,

Mike Martin, Recreation Director
